### Actor Bio:

A formally trained actress, Jenn's passion for the craft was honed at The Academy of Dramatic Arts, the very first acting school in the USA, established in 1884. With a strong work ethic and an unyielding desire to entertain, she brings enthusiasm and dedication to every role, ensuring captivating performances on stage and screen. Jenn Rosado is an accomplished American actress and producer, originally hailing from Puerto Rico. At the age of 19, she moved to the United States, bringing with her a rich cultural heritage and a passion for the performing arts. She also is a proud graduate of Florida International University, where she earned a Bachelor's Degree in Communications.

She is an accomplished actress currently starring as the main leading actress in the highly anticipated film *Blindfold Butterfly*. Also, she showcased her talent as Roberta in the critically acclaimed short film *Take Care Zora*, a project created for the Dolby Institute x Ghetto Film School's "Finish the Script" competition. Directed by Antonio Salume & Amy Tiong and mentored by Academy Award nominee Carlos Lopez Estrada (*Blindspotting*, *Raya and the Last Dragon*), this film premiered at New York's AMC Lincoln Square and Los Angeles's Academy Motion Pictures Museum.

Jenn has also made her mark in the world of television, securing numerous roles in various soap operas produced by Telemundo Global Studios in Miami. Her performances include roles in *Betty in NY*, *Mi Familia Perfecta*, *Al Otro Lado del Muro*, and *Dueos del Paraiso*, among others.

Back in 2016, while living in Colombia, Jenn embarked on her journey into the world of theater at Charlotte Academy in Bogota. After honing her craft and participating in numerous plays, she moved to Mexico City to further her studies at Casa Azul, an institution renowned for its affiliation with the eminent Television Producer, Argos Productions. Having gained her Mexican residence and Italian Citizenship, Jenn is now equipped to work seamlessly across Mexico and Europe.

Although Jenn is Puerto Rican, her talent for imitating a variety of accents-ranging from Colombian and Spanish to Cuban, Mexican, and other Latin dialects-sets her apart. Despite being taught that maintaining a neutral Spanish and English accent is crucial in the industry, Jenn has continued to master different accents to enhance her versatility as an actress.

When she's not acting, Jenn is deeply passionate about staying active, learning new techniques and languages, maintaining a healthy lifestyle, and indulging in her love for soccer, dancing, and singing.
